The award winning cool Bwindi Bar is the ‘Harry’s Bar’ of Bwindi! It is located on the Main Street of Buhoma, on the road that takes visitors to the Bwindi Impenetrable Forest.

Bwindi Bar provides practical hospitality training for local disadvantaged youths living in the area, whilst giving visitors the opportunity of experiencing local cuisine in a fun Ugandan bar.

It is perfect for an early morning cappuccino or a big breakfast on your way to trekking the Gorillas or a restful haven for lunch on your return.

You can sit out front and watch the bustle of Buhoma village or sit in the rear gardens overlooking the stunning Bwindi forest. A variety of fresh coffees, teas and juices as well as beer and wines are available. A selection of local food delicacies, including the infamous ‘Rolex’ Uganda’s classic wrap is served.

The bar is open from 7am until 8pm. It is also available for meals for large groups and guest participation events. Rolex making master classes take place on Saturdays and Sundays and Wednesdays at 4pm.
